5.2 Voting on this \$10,000.00 for fountain based on surplus and want to do additional projects, gifts, etc. in 2024. (I know Angela has not provided the

quotes or reports and we cannot officially vote on yes or no for the fountain but as the Board we can vote on if we are going to save our entire surplus for this fountain or if we should save the surplus for other projects and needs as our BIA changes to accommodate any hiccups that may occur as a brand new board trying out best to figure it out)

- 5.3 Create working groups for social media, welcome package, other suggestions with meeting dates to start projects.
- 5.4 Treasurer- we have not received an official resignation letter from Dave Corrie, but it is coming.

- 5.6 Change meeting from every month to every other month.
- 5.7 Cancel march meeting.
- 5.8 Check in on window clings from Angela.
- 5.9 BIA grant to hire students, look at one for summer 2024 for weekly cleaning of the streets, weeding the gardens (this is the job of CH though) Finding someone to complete these grant applications.
- 5.10 Look into if the above grant can be used for a student for watering (this would save a lot of money on watering costs)
- 5.11 Campaign for involvement of BIA members to join/participate (Kendra from Cafe Loco, Ezra from Lune).

- 5.13 Millennium Park Ideas for getting noticed and beautifying it in this year

## 6. **COUNCILLOR'S REPORT**

- 6.1 A "gift" for members, hand them out with a list of 2024 meeting dates and times and locations to encourage them to come and attend; even if a gift isn't in our budget if we decide to do the sculpture could be worth looking at a pamphlet with our photos welcoming them and still provide 2024 dates.
- 6.2 Uptown Parking Study. <https://www.centralhuron.ca/en/your-municipal-government/downtown-clinton-parking-study-2023.aspx#Clinton-Business-Improvement-Association-BIA-Boundary-Map>

## 7. **FINANCIAL REPORT**

- 7.1 Community Futures Gift Card grant still has \$595.88 left to be spent. Angela noted that these funds are for the admin fees of the gift card program, and the hospital has just made a large purchase of cards so an invoice will be coming soon. Angela also mentioned she would see about including the gift card program in her municipal portfolio in the future.
- 7.2 There is also \$4,450 from an administrative fee from a COVID grant from Community Futures, to be used towards a future project. Speaking with Angela, the grant and project was administered by the Municipality, but the funds had to be received by the BIA. At the time it didn't matter as her intention was to use it for the Student Sculpture Garden, but additional funding was received for that project. Angela has talked to Paul from Community Futures and confirmed that we are free to use it for any upcoming project. Potentially the funds could be used towards a portion of the Fountain/Sculpture. No reporting is required on this one. Attached is a snippet from the agreement below.
